

Dear Sir:

On the night of August 6, the Newark Eagles baseball team will play the Philadelphia Stars a ball game at Ruppert Stadium, Newark, for the benefit of the Community Hospital.

This institution is the only hospital in the state where negro nurses, physicians and interns may secure hospital training. We are anxious that this training does not suffer because of inadequate facilities.

We have an employee of your bank, Clarence Hayes, who is serving on the committee. We are writing to ask that you take two patron tickets at \$1.00 each for this game. Just mail your check to Mrs Effie Wanley, 101 Montgomery Street, Newark and tickets will be forwarded you at once.

With kindest regards, we are,
